PROFESSIONAL EXPERIENCE

Legarza Youth Development

San Carlos, CA

Regional Manager (Belmont - Palo Alto)

July 2022 - present

- Generated revenue of \$2.5M in 2022 that accounted for greater than 35% of company wide revenue
- Managed day-to-day operations for 50+ employees throughout the region including: athletics department, P.E. teachers, after school teachers, marketing & recruiting teams, A.A.U. coaches (Club+ League), warehouse staff, and seasonal staff
- Facilitated bi-weekly payroll processing for team
- Generated new contracts with school administration, school district superintendents, and city officials while ensuring company compliance with California and county laws
- Analyzed, created, and projected appropriate operating budgets for region along with reviewing monthly statements with Legarza President and Director of Operations

Athletic Director

January 2022 - July 2022

- Coordinated budget, equipment, coaching staff, team placements, and scheduling of all athletic teams and events across both Tierra Linda Middle School and Central Middle School
- Worked closely with school and district administration to develop best overall processes for student-athletes, parents, and coaches
- Attended all Art David Athletic League meetings and served as thoughtful, proactive voice for the San Carlos community

PE Teacher/Program Coordinator

August 2021 - January 2022

- Taught K-8th PE at Nesbit Elementary School, Nesbit Middle School, Arundel Elementary School, & Summit Denali Middle School
- Directed summer long camp site with 750+ unique attendees while overseeing the specific basketball, all-sports, and S.T.E.A.M. camp operations
- Managed 35+ seasonal coaches and 3 full-time employees
- Wrote new curriculum and improved past curriculum

University School of Milwaukee

Milwaukee, WI

Teaching Assistant

2020 - 2021

- Worked with department heads to create and implement full time teaching assistant position during COVID-19 hybrid learning school year
- Engaged one-on-one with online learners to help create an inclusive classroom environment for all students
- Assisted and mentored students in group settings on a daily basis

University of Wisconsin-Madison

Madison, WI

Research Assistant

2019 - 2020

- Assisted in the development of studies regarding the impact quality of sleep has on performance of daily tasks
- Continuously worked with a team of professors and student-research assistants to identify problems and develop recommendations for improvements of established processes such as data analysis
- In charge of recruiting individuals for surveys and studies
